»» SPRING HAS SPRUNG! WARM WEATHER TIPS FOR YOUR RESIDENTS

As the temperatures outside are warming up, your residents are more likely to open their apartment windows to get a breeze and some fresh air.

Remind your ground floor residents to close and lock their windows before they leave the property. Leaving ground floor windows open provides an easy opportunity for a residential burglary to occur.

»» MENTAL HEALTH AWARENESS MONTH

May is Mental Health Awareness Month. Please find resources below that may be helpful to some of your residents in need.
